Subject: Just met with Eva..

You would be proud. Minimal makeup. Black pants, white button down, no jewelry..
Only a watch.
Black flats.

I actually look like I live on the upper east side. :)

Eva is beautiful. I really enjoyed chatting with her and she is referring me to
the doctor's assistant..

Jeffrey, thank you! It means so much to me that you referred me as a potential
candidate. I hope to see you next time you're in NY!!!!

Love and prayers.
