Hi Jeffrey,

Kira says hello to you! we just got back from Bikram yoga, I know I know you don't like it :) it was my first time and I kind of enjoyed it. sweating all over the place was fun :D nice website, you were right when u said that computers substitute everything! but while barnes & nobles still exist I prefer to spend my time there reading and touching real books :)

these past two nights I did a research for oriental medicine, acupuncture schools and colleges in NYC

and most of them start their course in this fall. Pasific college and NYC of traditional chinese medicine

the only ones that I could find that have programs for spring and they started their classes 3 of may.

all the other colleges in NYC has their courses in fall. So I thought I am gona keep on reading all

these books for college on summer, get part time jobs, do my modeling, get my papers from lithuania,

go to interview, open houses, enroll in to the course together with everybody and start my dream studies

in september in Pasific college :) I really look forward to it!!!

hope your weekend is nice!!!
