Subject: absolute (perfect) pitch - cute little video based on David Ross' work at Yale

<http://www.sciencefriday.com/videos/watch/10297>

This was the highlight video for NPR's Talk of the Nation Science Friday recently. I recall your once-great interest in absolute pitch (when you recommended the Oscar-winning documentary *Best Boy* a bazillion years ago, we talked about it, I happen to remember!), and thought you might enjoy this.

Best,
D.
