here is the link to the Add I am running in Controller for the Bell 407:

<http://www.controller.com/listingsdetail/aircraft-for-sale/BELL-407/1999-BELL-407/1169386.htm>

currently there are 33 Bell 407 on the market

-do you think we will take both helicopters to St. Thomas?

-is there an estimate of when we will re locate the helicopter to St. Thomas? I have been in contact with Cleo regarding hanger space and cost to share his hanger with us. I'm trying to determine if we need space for one or two helicopter there. I wasn't sure if you are considering a Zorro trip this summer with the helicopters before heading to St. Thomas?

thanks, just trying to plan ahead,

Larry
