I will get back to you on my times, and see if you will be available. I can show you some new material I have been working on, which has some rather transformative ideas. I just gave a new talk in the distinguished Marschack series at UCLA last week, at the Gardner gathering, as a keynote at Milken's conference on education, and again at TED a couple of days ago, and it went over very well at all four venues.

Cheers,
me

Hey Jeff,

I am giving a talk in Miami to the executives of the Gucci Group later this month. How far are you from Miami?

Perhaps, I can drop by if you are around and not too far away, and actually available to get into trouble.

Cheers,
me
