Thank you so much for introducing Jen to me...She is amazing...Very simple, down to earth!Very nice personality...:)

Yesterday, thanks to you, we had an amazing evening....We went to have a pedicure, it was very nice! Then we had a delicious food and went to a comedy club...we were laughing so much, it was so much fun!!! I wish you were together with us!!!!

Now i am going to make a social security number.

Hope to speak to you soon!

Have a good day..:)
