Let me know when we could visit SF that you meet Philipe Rosedale from second life –

[http://en.wikipedia.org/wiki/Philip\\_Rosedale](http://en.wikipedia.org/wiki/Philip_Rosedale)

Philipe is a good friend of mine – so the other option is that he visit you at Palm Beach.

Philipe is a party guy so it will not be hard for me to convince him ;)

I think that his stories and discovery re Second Life are very useful and practical – you will like it.

Let me know what would you like
