Workwise yes...you are right. I didn't do much. Here not even modeling. I'll go and apply for a job, I want to learn new things.  
When I was next to you I learned many things from you..And I can say u had a big influence over my life the past 2years. I see everything from a difrent perspective!

Ohhhh I have so many golds to accomplish, I'm aware that I can do it but I don't know where to start from!

I need a big kick in my ass to move on to the next level.
