**Ready for another  
year of email  
bliss?**

Hello Jeffrey,

Thanks for using Yahoo!  
Mail Plus. Can you  
believe a year has flown  
by since we last talked  
dollars and cents? That  
means it's time for the  
annual auto-renewal of  
your service.

Your Yahoo! Mail Plus  
service will renew on  
05/16/2010, and your  
credit card will be  
charged the annual fee  
of \$19.99. If your billing  
information is up-to-  
date, there's no need to  
do a thing (except keep  
enjoying your email) and  
your service will  
continue without  
interruption..

We have made some  
changes to the Mail Plus  
service. Your premium  
service will now include  
POP access, no graphical  
ads, 20 MB message  
size, live customer care,  
Addressguard, no  
account expiration, and  
50 filters.

To double-check your  
billing information,  
please visit

<https://billing.yahoo.com>  
and click the **Your  
Payment Information**  
link in the top-right  
corner.

Thanks again,
