Pretty old email but I expect it to work, I haven't talked to Ian in a long time, but he knows who I am so feel free to approach him directly and tell him I told you to get in touch with him.

Feel free to email Ben and tell him I told you to do so. We're close friends.

I don't have an email address for her but she is married to a friend of mine and I've asked him for her contact info. I'll let you know when I hear back.

Enjoy, Pablos.
