The weekly meeting legal meeting is tentatively set for Monday (12th) at 4:30pm. I say tentatively because things may change this week regarding deposition scheduling. Jessica is trying to get service on Melissa Kapusta (Rivera's friend) and Justin Vanover (Rivera's ex). Both depositions would be scheduled for next Monday (one in Gainesville and one in Tampa) and Jessica is trying to figure out who would attend and if they would attend via phone. I will monitor and keep you posted.

I just spoke to Sherry who has been out of town. She informed me that Jack is going to Georgia this week (Jack put it on his schedule late last week and Sherry just saw it). He will most likely be leaving tomorrow afternoon and coming back over the weekend. I can keep the meeting scheduled for Friday afternoon (Jack won't be there) or I can move it to early next week so Jack can attend. Whatever is best for you..
