I like the stone very much. Glacially chic which is good in the tropics.

attached are 3 sketches for your and Robert's review(master bath)

- 1.sketch of tub alcove with questions
- 2.shower/steam with 26" and 52" layout(bench changes?)
3. Robert's suggestion on wall.

Robert also suggested that we do not reuse the existing vanities but get new ones ,white with white tops.

The white stone is 20 week lead time ,I really need to get shop drawings under way.Steam wall and bench are critical decisions.
