Thank you!

What do you suggest for the change you marked below? This is what I agreed with my team in Beijing.

of the 49.9% which we will not hold in the Acquisition Vehicle, you will transfer or grant options over up to 10% to existing management. (We should like to discuss with you the form of transfer of shares / grant of options to ensure that the existing management team are fully tied in, in order to grow the Business in the medium term.)
