Leon is wondering if he could come to the house at 5:30 instead of 6:00 on Wed. because he has the opera at 8:00. You have [REDACTED] at 5:00 and [REDACTED] at 7:00. Should I tell Leon 5:45? Or stick with 6:00? (Not sure how much time you need with JEs or if ok if Leon and [REDACTED] overlap?)
