I moved about a year and a half ago. They tried to serve at my old address until this am. Doorman buzzed up to apt and said a man named John Sullivan had a package to deliver to me. I new if was not correct so I told doorman I was not available. Before I left for work I buzzed to doorman and asked if they showed a picture of me to verify my identity. He said no however man was waiting in a car in front of building. I then exited building from the basement to avoid be served..
