Remember my friend Doris? She has been going through a divorce for the past 4.5 years and is nearing the end. She sent me the below as part of an email:

Btw I was reading the settlement agreement before and you know the part that says something like "Doris Straus henceforth refered to as the Wife or Doris...etc". Well I thought that it should be rewritten to accomodate Roger's lawyer thusly : "defendant's counsel henceforth referred to as sleazy fucking shyster...." what do you think?
