Read the Fortune magazine cover story on the Reubens in Russian of about 15 years ago during the Aluminum Wars. Simon says unfair and untrue. And I believe Simon, But what is clear is that this was kgb gangland warfare by proxy. As rough as it gets. They were very lucky to get out with their money, unharmed. It'll make your eyes pop.

#1. I will email Tommy and we will take you to Mark Hotel or Monkey.  
Give me dates. We can invite some smart people to join us.

#2. Washington Post is run by Donald. Lally writes for Newsweek. Stephen is the poetry/English professor who teaches at Bard...and very brilliant quirky. He is also on board of Second Stage. I can set a dinner with them. He has a plane, bought his mother's estate in Virginia and gorgous house in Nantucket.

#3. Cannes starts on night of May 12. I arrive Friday, May 14th morning at 8:20am and goes to Sunday, May 23rd, closing night.

I will let you know when "Wall Street 2" screens. Graydon is in it. Also Julian Schnable's film...and any other hot films.

#4. Graydon's party is Saturday, May 15th. You must come for "Wall Stree" and VF party.

#5. I sat next to David Rueben at the LeFrak's dinner last night at Maralogo. He is Simon's brother. He is very smart and nice. He has a hugh villa above The Carlton and a 242 foot boat, Siren.  
Born in Bagdad, grew up in Bombay till 15 and family moved to London. First Westerner in Russia, in Metals...brother of your friend.

Believe it or not I'm invited to a small dinner (24) with obama at white house april 6 after a screening of a film I am involved with (haven't seen it) on nuclear terrorism and proliferation. Going with gang that got him his nobel. So dinner with Tommey Cohen, yes! Which son of Kay's runs the Post-I thought it was Steven. Would love to meet ANY professor

of English. All I read now is poetics poetry and english criticism under the guidance of an ex who is now a full professor and a famous poet.

Re: Simon don't u mean Simon Reuben? Who is a friend of mine? When u say the brother simon? He was first in russia made billions in metals baghdad-everything. Just had dinner with simon reuben in london at gago opening.may 12 I need to be in dc prob for nuclear stuff but could fly that night-when is vf party-i will be back and forth to europe all year. Must run-xx

Cannes is May 12-23.

I am at The Carlton. Writing my Cannes Diary for the third year.

Talk to Graydon...he is going. I will keep you posted but I think it will be a good year. Michael Douglas and cast (Wall Street) and Julian Schnabel (Miral) are going to Cannes too.

Has to be better than the Oscars. 10 films and no big stars except Clooney who didn't go to one party and Meryl and Sigourney Weaver who are my age and stayed home too.

How many times can you say "Hi" to Vera Farmigia and Anna Kendrick? Had a ball anyway.

Visited Jeffrey Epstein today in Palm Beach. He has four more months of house arrest.....July 20 he is out of Florida for good.

On to Paris and Dubia...etc.

Email me when you are back. April 6th I have dinner at the new Mark Hotel with Stephen and Kathy Graham. He is Kay Graham's son, an English professor at Bard and funny...wife is chic. They have gorgous townhouse on 78th/Fifth, Virginia and Nantucket estates...I was going to put a small group together. Want to try new Jean Georges restaurant and meet them? Or want to eat another night with me and Tommy Cohen?

Also, do you know David Simon? Jewish, born in Bagdad, grew up in Bombay till 15, them family moved to London. Has first wife and 3 grown kids. First Westerner into Russia. Billionaire in metals and oil...worked in China, North Korea, mid-East. Etc.

Has villa in Cannes and 242 foot boat "Siren" built two years ago. Brother Simon has hugh villa in St. Tropez.

Very low key nice guy I sat next to at Richard LeFrak's dinner for 100 at Maralogo last night.

He will be in Cannes for the film festival and is my new best friend.

Miss you...let's get together. xoxo Peg
