Hey hey! So there's officially no reception in the kitchen. Actually kitchens... it's amazing!  
[REDACTED] is set to come at 2:30pm Friday if that fits your schedule. I'm still floating on a cloud (but happy to be sitting down) it was so great! I'm not sure when you land but feel free to call if you'd like. Steve was so friendly and really had a great plan for me. So exciting! Thank you!!!!
