Hope you don't think I have forgotten you. I have been trying to speak to Mark Cullen (attny for Hardman) for weeks. Just found out today that Cullen's daughter is in ICU w/ a brain aneurism and situation is not good. As soon as he returns to office his assistant said she can set up a phone conf. for me to speak to him. Sorry for delay in getting back to you but I had nothing to report.

Jeffrey,

Interesting events. I was checking the public records and discovered Mike Hardman transferred the Dixie Highway property he bought for \$5.25 million to SGBK Properties on December 31, 2009. The website lists consideration at \$5.49 million. It seems he is out from under that property drain. The docs are online at the clerk's office, or I can fax them to you. If you want a fax, shoot me the number. I have 837-2299 as your fax, but I think that is the office.

How goes the lawsuit? I see the Bar is allowing public pressure to be put on the lawyers at RRA. This should be helpful to you, basically because in my experience lawyers are always tough talkers with someone else's money or life, but fold like a cheap lawn chair when they are in the hot seat.
