F,  
Looks like I'll be in NY --  
May 6-8  
maybe June 4-7 (if we do a reception either June 5 or 6 -- still talking with Barnaby about this and he's optimistic we'll do this with you)  
June 17-20

Possible for me to get an apartment at 301 those dates?

Thanks!

and -- I have Barnaby's availability, just need Pritzker availability for dates for our "retreat." How would you feel about my also inviting Danny Hillis? I'd like to get one genius broad science guy like him (who else is like him?!) in the mix. Another thought I had was John Hagel (a very insightful business guy who you and Tom would both find interesting -- but he's coming out with a new book -- today -- and I have a feeling his schedule is ridiculous). Thoughts?
