I been in contact with sales rep for the AW139, I'm trying to set up a demo for you, Teterboro would be the easiest,  
Are you interested,  
10.5m green  
1.5m for interior  
Many avionics add on items not included in that price;  
Radar  
TCAS etc,  
Could be another 800k +  
Just fyi
