I love this apt. but it's more than I can afford. Do you want to invest something in it and then when I sell (7 - 10 years) I'll return your investment plus whatever the percentage of gain is on the sale. Please look at the apt online and let me know what you think is a reasonable offer. I'll be looking all next week during my spring break. Tomorrow night I'm going to see 420 East 55th #9B if you want to google that address. I'm interested in your feedback.

Love/
