Boat show update:

Garmin has a new update for the data base for the Midnight express, chart plotter, they added features to their 3D fish eye, and Mariner Eye, -met with Eric and Harris from Midnight express, they are hanging triple Yamaha 350hp's on the back of their boats, plus triple Verado 300hp on the rear of their boats,

I'm going back to the show today to look more

Thx

Larry
