U had your passport already when u asked me for money in March . Ur passport was issued in NYC on 18th Feb.not on 23rd.March .I knew that all along but wanted to give u benefit of doubt.

U tricked me to get ur petty \$23000.I forgive u for that but u have to pay this back.

Please don't email,sms,write or call me again just give back what I gave you(gifts+money) to address Romy sent you and I'll donate it all to a worthy cause.  
Shame on you!
