Hi Jeffrey!!!

My hand is finally getting better slowly and painfully... I go to therapy every day. I built up so much scar tissue while being immobilised with casts and splints that when they were removed 3 weeks ago my wrist was rock solid. Jeffrey, wow, such a painful process breaking up this scar tissue... Sucks!!! But I can finally write a bit and do dishes and type without pain... So I'm coming along... Just feel like an arthritic mess...

How are you? I miss you! What's new?
