Title: Re: South of the Border/Oliver Stone's documentary

Great. I will review it. I was too tired to keep my eyes open Friday when I first watched it.

Ronald and Jo Carole Lauder came over this morning for a house tour...brought the dreaded Veronis's. Ronald had never been here before and was fainting at Alberto's work....examining everything. We are going to Lauder's at 5:00pm. Will report.

xoxo Peg
