Jeffrey,
Howard and Marc just called me, I have fwd all your messages to them, they appear to be confused on final pricing:
current price they are offering is 12.310M for a single C++ deal
--- if you sign contract on the "D" model it will lower the price to 12.210M for multi helicopter purchase,
--- you are offering 12M for a single C++ replacement of 750,,, does this sound correct?

Marc gave me his cell phone number if you want to discuss directly: [REDACTED] (Marc Poland).

thanks,
Larry
