Title: Fw: Jane re your Wall Street article

From Jane Fonda!!! Not bad.

Met Michael Saylor, 45, never married from DC with the 160 foot Fed ship...has an international computer company...will send his bio...seems like a nice guy who just wants to upgrade his social life...I am going to present a game plane with him and figure out a deal...he is willing to buy tables at Robin Hood...what ever I suggest and let me fill with smart people...working out Cannes...can also send him to Venice FF...I can be a creative as I want...he has a hugh loft I am going to see this week...more to come.. Told Fox about him for "Wall Stree".....they are interested in using David Simon's Villa for "Wall Street"...

Judy Taubman sat across from Somers Farkus at LeFrak dinner Saturday night at Maralogo...Somers agast Judy ate a piece of meat...Somer was sucking a piece of lettuce all night. Judy thought Somers was weird and stupid because Somers did not know to ask Judy about Judy.
xoxo Peg

Saw Jane narrate "Grapes of Wrath" last night - opera at Carnegie Hall...saw her father/John Ford film over the weekend...300 people on the stage 100 orcheasts
