Hi Jeffrey,  
Happy Passover---did you know that matzohs now come in whole grain?  
Are you sure you want to put \$50,000 towards the apt. because I am ready to put  
an offer in. The couple bought it in 2006 for \$579K and now they are asking  
\$549K. I don't think they'll accept \$500K but I will make that offer, if you're  
in. You can google the apt. to let me know what you think as well.
