Had chance to tell david gergen hi after his talk that was great. He was rushing out to meet david rubenstein with whom i had a lunch earlier in day (very funny story!). David gergen kept asking how i know you. I said mutual friends.

The real interesting go when he asked me where i work.

Got a feeling that he did not fully trust that i am bill's main strategist. He wants to meet tomorrow or wednesday. It might be helpful that you let him know the lay of the land.

Talk to you more later at night
