Listings on St. John:

Here is a great deal for a five bedroom home, known as Inn Love, in Great Cruz Bay, which has been reduced to \$1,095,000. While this is not a "high end" property, it is an exceptional value in a great neighborhood and the owners paid \$1,200,000 in 2004!!!

Here is another home in Great Cruz Bay, known as Chez Shell, which has been reduced to \$1,225,000 and is also a great deal!
