Jeffrey,

How are you?

I wanted to introduce myself to you, I am the new listing agent on 700 S. Ocean blvd., in Manalapan . (5.57 acres, 520'+- direct Ocean-to-Intracoastal property).

I thought you may be interested in knowing the price of the property has been reduced to \$32.9 million. I believe you are already aware that Frank has plans drawn for a beautiful 68,000 square foot home for the property.

I wondered how your week looked next week? Do you have a moment that we can chat on the phone?
