I am in the bahamas. I found something in which you may have great interest. You are always looking for cheap opportunistic buys. You would have to move fast, but check this out: <http://www.rbauktion.com/theapoise/pics-videos.jsp>

It's a 220'+ yacht built by the #1 builder that is going on auction today. Original price \$100mm+. Should go in the high teens, low 20s.
