Hey Jeffrey

Its [REDACTED] i need too talk to you

Im really depressed i didn't wannte tel you because i have a big ego, but i really wannte ask your help

My problem is already a long time thats why im never in newyork, thats why im dissapear because i wanted too solve my problems myself..

Jeff my dream is just too live in newyork and too start over, but im stuck now!

I never wanted too ask you for helping me

But this is the only thing i can do now

I wannte come back too newyork and just live there for ever

But i can't

My exboyfriend he try too destoy my life

My bank is frozen..he went too cort and want [REDACTED] from me

He win it because i never went too cort

[REDACTED] He hit me so much for sign a contract that i own him [REDACTED]

and so much more ...

Total i have bills 40.000 euro's and i can't do nothing

Ofcourse i will make it whit modeling but it takes time and how can i work and survive whitout any money

Jeff i wannte work for it

i will do everything too get out of this nightmare

When this big heavy weight is from my shoulder i will work and make a lot of money

But i need too make a end of this

I just wannte come back too newyork fresh and alone and go for movies and modeling

40.000 euro's i make it easy i have so much options bookings etc but they all pay 3 months later and the bills go bigger and bigger

Jeffrey i really wannte ask you too help me

This problem is already a long time but i never wannte tel somebody

im a shame for it

so i hide myself for everybody

Let me work for it or barrow it from you whit a agreement that you will get from every job a part of the money

and extra % from it

Jeffrey im so healthy at the moment and free from my ex and full of energy

i feel so good but now i need too pay the price in life for things that i did in the past

I just wannte start over whitout al this problems in my head

Money i make easy so i know i can pay you back

I really really hope you can help me or maybe i can work for you

Hope you wannte think about it

Kiss [REDACTED]
