I spoke to Pinto's office and they are aware that Pinto will be seeing you on the 7th and they believe the time has been discussed already between the two of you...?

So far I have for you on the 7th:

12-2:00 lunch w/Tom Pritzker

5:00 appt w/Jes Staley

6:00 appt w/Leon Black

Did you and Pinto discuss a time? Or shall I suggest a time to his office?
