Jeffrey, I am going to Egypt! Today I resaved Valdas call, he said- we are going to take a rest there where is warm and sunny!

Unexpected and lovely! I hope we will have good time! I love surprises! never expected to get such a good one from him!

I am leaving just in the heart of works and studies, but 7 days of brake is just in good to me!

By the way, i have singing classes in the second semester. today I got my first class with Susan Brown from California!

I did enjoy singing very much! i sung "Blue sky"! very old song, beautiful song! so nice to sing!

I do Joga, i am preparing for the new performance. I've got the main role, the good way to earn some money! i am trying to sell t that show for weddings or events. i do help my mum at home....lots of things!

Till i do not have any news from Geneva i do everything to keep busy!

Hopefully after my vacation i will have someone suitable for the assistants role!

Sending you lots of kisses and love!

Miss you.
