[image001.jpg](#)

Dear Jeffrey,

We are fabricating three (3) headrests for the aft bench seat.

We are fabricating a "foam template" to identify the spatial relationship to the neck and head areas as well as to provide you with a representation of the esthetics.

I am hoping to have this foam sample completed today so that I may send you a photograph so that we can finish the headrests.

Best Regards,

Eric

Sincerely,

**Eric Roth**
