Dear Jeffrey,

I do listen You, and i do understand what You are saying...there are lots of other things to do on this earth not only dance. I took my chance and left to Geneva to look for a job! i spend 4 days there,I visited few friends and lots of jewellery boutiques...I met Gorgio Bulgari he is an inheritor of family business. he was very kind and very honest with me.I was holding my poor CV and motivation latter, and hope that i will get what i am looking for...he introduced me with this luxury business and he said that everything is about trust and loyalty.but he doesn't know me, he needs to have my reference...i got one from my ex director in the last minutes. the letter was delivered yesterday...but its not enough...i thought of you. could you be kind and say few words about me? Thank you very much! it is very important to me...i am very existed about new opportunities in my life!

Thank you!you inspire me to move forward!

Lots of love.
