Thanks for the link, BTW.

YES!!! I did get the CDs. I'm mortified that I didn't send an email off, as I thought I had, to thank you. But thank you indeed. I've listened to them over and over...! So fantastic.

I also owe you a response re:

I can see your point about this, and shared your perspective with Patti. She tells me the edit folks selected your photo because it was to run next to a quote from you about the fraud charge. Had your photo run on the front, under that headline, it certainly would have been confusing. But again, I see your point of view, and do encourage you to stay in touch.

All the best,  
Joyce

Also, you did get the 7 or 8 additional CD's that I dropped off for you a few weeks ago?
