Dr. Moskowitz would like to schedule you for a follow up appointment in one month...sometime between April 19<sup>th</sup>-30<sup>th</sup>. I know you are hoping to be in Cambridge on Monday April 19<sup>th</sup> with Ken Starr and Henry Rosovsky.

Is there a day in April between 20<sup>th</sup>-30th you would like me to go ahead and book you for your follow up appt with Dr. Moskowitz?
