Subject: bloodwork

You are scheduled to see Dr. Merrell for blood work on Wed. March 3rd at 8:30 am. You will need to fast (water is fine... black coffee or tea is ok but you can put nothing in it. Do not eat. No other liquids than what has been mentioned)

I have CC's Story so he can get you the written confirmation you want.

Dr. Merrell

44 East 67th Street, Suite 1B

NY, NY 10065
