Subject: S76 flight to Islip

Jeffrey,

The weather on Wednesday is going to be perfect in New York, Is it approved for me to fly the S76 from Keystone to Islip for Eric to complete the headrests, and pick up Nadia on Wednesday from NYC and fly her to her flight lesson in Islip? I will take Darren Rothell or Sikorsky test pilot with me for the journey. I will return Thursday morning at 10:30am so I may be present for the Marc Poland and Howard Germon meeting at 4:00pm Thursday, if you want me to be present.

please advise if flight is approved?

thank you,

Larry
