Thank you!

Hope you like the book. I marked few stories that I really like a lot.

Hope that Peter is in the better mood. It does seems that gap is narrowing but it is still an uphill battle. I really do not like Cameron (met him in Davos). Remind me to tell you something about Peter.

THANK YOU re Sam. I really appreciate it a lot!!!

He is young and insecure, and this might reflected during the meeting. He does not want to admit that he wants and need job as he is afraid that he would sound desperate. I know that both of us were in different mindset from much earlier age, but most people take different path. I still think that was super useful and that might lead to more concrete things. Faith called her friends at Nordstrom. Also, from what I heard (I barely talked to him as I was at meetings with Bill for the most of day and then rushed to airport) she gave him several very good advices.

Again – thank you so much!!!

I am in NYC right now starting a meeting in 20 min and then heading to Boston. Let's talk either later in day or tomorrow.,

All the best

Boris

Glad that you like it.

Borges is great. I am sending you a book with Sam. I labeled few stories that you should read.

Translation is an issue but still it is a great read. His mind is incredible.
