Terry's son Philip moved to NY and is starting a billboard operation here. I've been helping him out, and I sent a note to terry telling him that Philips is OK.

This is what I got back.

Hey mark. Thanks for your nice words about philip. He knows he's swimming with the sharks and he knows there's no low hanging fruit. Plus he has to deal with pricks like you. Seriously, thanks for working with him. He won't let you down. He's earned an MBA his 1st week. Thanks again. Maybe there's add'l opportunities together. Watch over him for me. Best, terry Sent via BlackBerry by AT&T
