AM

[REDACTED]  
Vanity Fair magazine has contacted us to advise that they will publish an expose' of the Jeffrey Epstein case in their October issue which will be released this week. We have made no statement to them. They have had one of their best investigative reporters on this for nearly a year including finding and interviewing some of the victims and their families. They have told us to expect a favorable review from our viewpoint --just FYI so that you are not surprised.

Thanks,  
[REDACTED]
