Jeffrey,
spoke to John Bode..
he is will to give [REDACTED], dual in Cessna 414 for \$750 per hour and teach systems to her...
King Air 90 for \$1,600 per hour,,,he said 5 hours as copilot with him, then he would let her fly from left seat after that, it is a lease back aircraft. He would teach her systems etc.
Cessna 182 Turbo she can take solo to fly. he is confirming the price for the C182,, I think it was \$175 per hour,,,he is going to put a block of hour package if you can let me know how many hours you would like her to fly each or all of the aircraft... John recommended focusing on one other aircraft only plus the C182 for a proper check out
thanks,
Larry
