Jeff and Larry

Hello to both, CBP ( San Juan , PR Manager) after I did call him the area port director with your increment, Jeff He is allowing me to take 30 days of sick leave and go to Washington State (Arlington), to be with my parents and father who is not doing so well.

It will start on Sunday March 13, after work on Saturday March 12<sup>th</sup> until April 26<sup>th</sup> 2010 and he said will keep working on my transfer when I'm gone.

That part I will see if it turns out to be true.

Any chances you may be in St Thomas?

Where I can go up to Fl with you and then on to Washington State?

If not no problem but if your down and it works out great.

I hope all is well and you're both doing great!!!!

A friend always,

Thank for all you both do for ME.

Carol
