Eric,

Could you pass this along to your friends at Excelaire and maybe Cablevision? Thanks!

This may seem a little strange, but as part of my work with CARE, we are seeking a flight on Monday for President Clinton to Haiti.

The flight will originate at HPN and go directly to MTPP. Ideally it would be a ron at MDSD and then return to pick him up the next day, but it could also just be a one way. NBAA and the Clinton Foundation will be handling all the slot and ramp clearances. CARE could also fill the seats on the return if you do the one way and are interested in pursuing that idea.

Let me know if you think there would be any interest. The trip is this Monday, the 22nd. He will be meeting Bush there as well.

Thanks!
