Subject: [REDACTED] and [REDACTED]

Unfortunately, [REDACTED] cannot make tonight around 5ish. She has LaCrosse from 4-6:00 and needs to go home after that to have dinner and do homework. [REDACTED] said she would love if you could come by the house...all 3 kids will be home. Or she said she may be able to stop by sometime tonight...she said she needs to play it by ear and will keep in touch.
