I try to be strong, I should wait, I can make travel visa but that would be for  
several month,  
it is better to wait several weeks or months to have several years and make up  
my mind for smth new)  
Would you allow me to keep my account for some more time?***

I started to write for russian fashion magazine!  
I want to find a way to write for it from NY to Moscow about fashion and all new yorkers life  
style.

I'm happy that I start to do something because waiting kills me.

What is new with you?  
Where are you now?

All my dreams come true usually, the only one is just so hard.  
To see you becomes more and more difficult with every year.

But I will never give up.  
I will do my best to be at home ASAP.
